The Records of Providence Monthly meeting commencing at the time of a separation on account of the aforesaid doctrines first being introduced into the society

At Providence Monthly meetings of friends held in Providence 27th of 11th mo 1844

Whereas some of the members of this meeting having aided and assisted in effecting a separation in Wayne Co. Ind. meeting and setting up assemblies are there contrary to the discipline and the good order of society and have attended the same to give it their support and encouragement, and thereby fully identifying themselves with the same, and whereas the person who has for sometime acted as Clerk of this meeting has acted in accordance with the views and measures of the aforesaid members, and rejected the committee of the Quarterly meeting appointed to visit subordinate meetings, by refusing to notice and read a minute of their appointment presented to this meeting by said committee and has entertained a complaint which was minuted in the Separate meeting and there preferred against a member of this meeting under their influence and instruction for having out unity with those friends, aforesaid and attending the meetings of friends held according to discipline and good order, therefore it is concluded to appoint John S. Nugen Clerk of this meeting that friends may proceed to transact the affairs of the church according to discipline and the Christian principals long held by the society and act as a subordinate Branch of the Quarterly meeting

At Providence Monthly meeting held at Smithfield 25th of 12th mo 1844

Friends met at the meeting house at Lower Smithfield at the usual hour and finding the house locked made application for the key of the family of the person who had usually kept it and not succeeding in obtaining it our meeting for worship was held under the shed in the meeting house yard and after the meeting for worship was ended and before the 11th hour and the ensuing minute of the monthly meeting a man came to the house and with a key entered doing and pushing the door after him application was made at the door by Harvey and Samuel B. Thomas members of the particular meeting held there and by other for admittance which the man within refused, he gave his name as George D. Williams and said he was sent there by Gideon Smith and James Cummins to take care of the house for this day and to keep all persons out of it and that we could not come in

Wherefore this meeting concludes to adjourn to meet this afternoon at half past 2 o'clock at the house of John J Kenyons in North Providence and this we do for the sake of peace and quietness without intending to relinquish or impair our just right or claim to the property thus unjustly and forcibly withheld from this monthly meeting

In a view of the difficulties and embarassments under which divers friends labour in consequence of the general defection in Principal and insubordination in practice of Falmouth Smithfield Sandwich and Scituate Quarterly Meetings it is the conclusion of this meeting that when cases occur of friends who have manifested a sincere attachment to our ancient Principals and Testimonies removing to live within the limits of any Monthly Meeting which is a branch of either Rhodeisland Salem

and Dover or Sandwich Quarterly meeting and make application to be received as their members

And in case of their being in necessitous circumstances when such application is made or of their requiring pecuniary assistance afterwards and within the time already prescribed by the discipline with regard to the obtaining of settlements they not having contributed to the funds of the meeting within the limits of which they reside It is advised that such Friends should receive timely and needful assistance from their respective Monthly Meetings who are requested if the matter should prove burdensome to them to forward their account to the meeting for sufferings which having approved the same the expense is to be defrayed by a draft on the Treasurer of this meeting

And the subject of such of them as do not remove as well as of those Friends who reside within the limits of the three Quarterly meeting which report their state to us and who are not within the acknowledged limits of any Sound Monthly Meeting claiming our consideration

4th day of the week and 13th of the month

"The meeting was deeply exercised under a painful sense of the many weaknesses and deficiencies existing within our borders, and the truly living and rightly exercised members were brought to feel, that there is still much among us, that calls for close searching of heart

Powerful and living testimonies were borne to the necessity there is for some, making profession with us to arise and shake themselves as from the dust of the earth — to watch over unto prayer, that so they may

be preserved from the many snares of the Enemy, with which we are continually surrounded; and come more fully to realize the necessity of keeping a single eye unto Him who hath called us, with with an high and holy calling, and who as we look unto Him for ability and strength, will enable us to overcome the world to resist the many temptations of the adversary; and finally as patience is abode in, make us more than conquerers through Him.

We have indeed been made thankful to realize that the mercies of the Lord have been largely extended to us a people whom he had designed for his praise, and exalt his standard of truth and righteousness in the earth; and for whom way has been made, that they might grow and flourish, even as plants of his own right hand planting; but some of whom through watchfulness and indifference, have suffered themselves to be drawn aside from the right way, thereby bringing reproach upon the blessed cause of Truth, and mourning over the spirits of the living and rightly exercised members. So that sources of these have been ready to exclaim, "It is of the Lords mercies that we are not consumed, because His compassions fail not;" and the language of the Spirit unto the churches hath seemed to be, "What could have been done more to my vineyard, that I have not done in it? Wherefore, when I looke that it should bring forth grapes, brought forth wild grapes?"

Friends were feelingly exhorted to be more faithful in the maintainance our christian testimonies, that by an humble and consistent walking in all things they might witness a growth in grace, and in the knowledge of truth. They were earnestly reminded, of the importance of a diligent attendence of all our meetings for religious worship and discipline and encouraged to greater faithfulness therein. "Not forsaking the assembling ourselves together as the manner of some is but exhorting one another."

Much weighty counsel and affectionate advice was called forth in view of the many deficiencies sorrowfully apparent in the answer to the query in regard to sleeping in our religious meetings, and the mournful language of our blessed Lord to Peter, in the garden of Gethsemane, was feelingly adverted to "What! could ye not watch with me one hour? Watch

and pray that ye enter not into temptation!" And living desires were raised and expressed that all our members, whether present or absent, who have thus brought sorrow upon the church, might seek for help to overcome this prevalent weakness, that by continued watchfulness the designs of the Enemy may be defeated, and we may become more firmly built upon and established on the above sure foundation. And that all might be made willing to search Jerusalem as with a lighted candle, that every thing that can hurt or lay waste may be removed from amongst us, and our lights be made to shine amongst men, that theirs, seeing our good works may come to glorify our Father who is in Heaven

A communication was received from Joseph Winton at this time viz. Philadelphia 11th Mo 25th 1880 To Con Mo Meeting of Friends. Dear Friends. I kindly send to you the records of Rh. Monthly Meeting, which were in my hands,

being the occasion at the time of the lamentable separation which occurred in 1845. I am convinced that I was then separated and am not worthy to be called a member, though I crave to be with the family in the Christian care and fellowship; desiring that our right may remain in Preparative Meeting, if consistent with the judgement of Friends

Joseph Brinton.

The case of Jos. Brinton is again continued to our next Meeting.

The number of members who attend this Monthly Meeting (particularly the Mens Meeting) having become very small indeed, increasing infirmity of health often preventing some from attending, it appears to those of us who remain that we can no longer hold a Monthly Meeting in a manner in accordance with the design and good use intended by our discipline, nor to the credit of Society, and perhaps not to the cause of Truth. We therefore ask the Quarterly Meeting to lay down this Monthly Meeting and annex the members to South Kingstown Monthly Meeting, having the unity of the Women's Meeting herein.

The Clerk directed to make all necessary extracts from the minutes to be forwarded to our next Quarterly Meeting by the representatives.
